Technical Skills

Languages: HTML, CSS, Java, JavaScript
Technologies: Next.js, React.js, Express.js, Node.js, Tailwind CSS, Email.js, Nodemailer
Database: Firebase, PostgreSql
Familiar: AWS, Git, Github, SQL, Cloudinary, Prisma, Resend, Shadcn

Experience

DMI Finance Private Limited   June 2025 - Present
Full Stack Developer — Next.js, React.js, Node.js, Express.js, Tailwind CSS, Firebase, PostgreSql, Prisma   *Noida, UP*
- Developed a custom image classification module to categorize uploaded images based on type/content using rule-based AI promts.
- Implemented automated file conversion pipeline to convert uploaded documents to PNG format to AWS S3, including generation and usage of pre-signed URLs for secure, time-limited uploads.

DIGITAL 360   May 2024 - May 2025
Full Stack Developer — Next.js, React.js, Node.js, Express.js, Tailwind CSS, Firebase, PostgreSql, Prisma   *Dehradun, UK*
- Developed and deployed **10+ full-stack projects** with responsive UI/UX and **SEO friendly** websites, tailored to client requirements and optimized for performance and scalability.
- Refactored legacy codebases to adopt modern JavaScript (ES6+), modular patterns and improving maintainability and developer onboarding speed.

Projects

Online Code Compiler | **Live Link** | *AWS, TypeScript, Shadcn, Tailwind CSS, Postgresql, Prisma, Resend*
- An online code compiler allows users to write, edit, and run code in a browser without the need for local installation.
- The code can be downloaded, edited, shared, and saved by the user in a dashboard.
- The smooth integration of sophisticated features and gives users an effective coding experience.

Boarding Admissions | **Live Link** | *Next.js, Tailwind CSS, Email.js, Firebase*
- Developed a fully functional course enrollment platform, building intuitive, user-centric UI pages for course exploration, selection, and payment processes.
- Built a customized course feature that allowed students to select and enroll in tailored courses, replacing placeholder content with dynamic, user-specific options for a personalized learning experience.
- Integrated secure payment functionality via RazorPay, facilitating smooth transactions for course purchases.

Shaadi-Vyah | **Live Link** | *Next.js, Tailwind CSS, Firebase, Email.js*
- Shaadivyah provides comprehensive wedding planning services, including venue selection, decoration, catering, photography, makeup artists, mehndi artists, and more.
- It is a unique because we offer a seamless, user experience, personalized planning, and access to top-rated vendors and artists also with a user dashboard.

Chat App | **Live Link** | *React.js, Node.js, Express.js, MongoDB, Socket.IO*
- This is a real-time chat website that allows users to connect with each other in real-time.
- Users can Sign Up, Login and Logout using JWT.
- Utilizing MongoDB as the database for storing chat messages, user profiles, and other application data.

Achievements

- Certification in Flipkart Grid 5.0 from Unstop in the Level 1.1: E-Commerce and Tech Quiz.
- Certification by HACKERRANK in Java (Basic).
- Certification in Programming Fundamentals using Python by Infosys Springboard.

Education

GLA University   May 2024
Bachelor of Technology in Computer Science   *Mathura, UP*
